On the page for the inner box, with the hand colored engraving mounted on its cover, the dimensions are given as "H: 19.4 x W: 12.8".

The 'Cite this object as' *from the page for the doll :*

Paper Doll, **Jenny Lind Paper Doll and Ten Costumes Designed for Her Operatic Roles**; Subject: Jenny Lind; lithograph on heavy white wove paper; largest example from group: 7.9 cm (3 1/8 in.) H: 10.1 x W: 3.5 cm

The 'Cite this object as' *on the pages for the costumes do not give measurements, and say,* "lithograph on white wove paper"*, so presumably printed on lighter paper than the doll.*
